Putting it together

Summary

- **We covered just enough to be dangerous**
- **Ruby and Rails are both extensive topics...**
    - But the cost of entry is low
- **Be careful, Ruby will grow on you!**
    - May cause spontaneous "I'm leaving .NET" blog posts
- **Check out the ever growing Pluralsight library**

- **Guides.RubyOnRails.org**
- **Ruby-Lang.org**
